

What you need to do.

You simply choose 4 different numbers between 1 and 25.

For Example:

5	13	16	22
---	----	----	----

Each set of 4 numbers will cost you **£1** per monthly draw. Subscriptions are payable for one year in advance (**£12**) and you keep the same set of numbers for all 12 draws.

The jackpot is won by matching **four numbers** correctly. If there is more than one winner the jackpot will be divided equally.

The starting jackpot will be 50% of the monthly income. (eg. With 1,000 members, the jackpot would be £500)

The more members there are playing the larger the jackpot will be each month.

If the jackpot is not won, 50% of it will be added to the following month's jackpot and the remaining 50% will be allocated to HCPT funds.

In addition any month the jackpot is not won 3 member's names will be drawn and they will win £20 each.

All applicants must be aged 16 years or over to take part in the lottery.

New entries must be received by the last working day of the month to be included in the following month's draw.

We will send you confirmation of your entry and all winners will be notified by post.

No liability is accepted for loss, theft or delayed receipt of any communication sent by post.

For payment options please see overleaf.

The draw will be held monthly on the **second Friday** of each month. All numbers and results will be published on our website. Our full terms and conditions are also on www.hcpt.org.uk/lottery.

The Promoter reserves the right to use the winner's name for promotional purposes. These will only be in summary. (e.g. Mr/Mrs Smith from Leeds).

The lottery is licensed by the Gambling Commission of Great Britain and therefore legally, entries are restricted to residents of England, Scotland and Wales. Therefore unfortunately we are unable to accept entries from addresses outside Great Britain.
